3-4 BASE

MDM: Most Dangerous Man  
Ace: C/G Double to LB

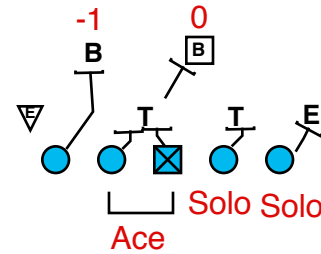

3-5 BASE

When playside T is Solo, his job is to keep E from coming inside...block it like a kick out block, not letting E cross his face.

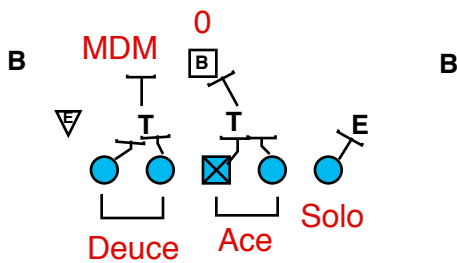

4-2 Under

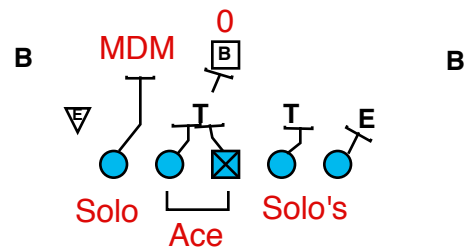

Whenever a solo is called by G, OL steps with zone footwork getting helmet to playside number, but if DL slants inside, OL has to come back and block him - staying on him.
